

151 Daybed

Our daybeds are standardly drilled at 12 $\frac{1}{4}$ " and 16 $\frac{1}{2}$ " unless you specify differently. Our frame system does not come with our daybeds unless you specify. If you order our frame system on a daybed, you need to tell us at what height to put the frame. Includes Sides and Back only.

151 Daybed

Side is 42" tall to the top of the cannonballs

Side is 39 $\frac{1}{4}$ " wide

Back is 76" long (inside dimension)
